

A-LIGN

Dear University Students and/or Recent Graduates,

A-LIGN would like to invite you to our Informational Webinar Session “Why A-LIGN?”, which will take place on **Feb. 15th at 11 AM EET**, via Zoom.

Come join us and learn Why A-LIGN is the right place for you to start your career! We will share more about what a day in the life of an IT Auditor is, how you can grow and develop professionally in the IT Security field and find answers to all your questions in our Q&A panel!

Who is A-LIGN?

A-LIGN is an Information Technology auditing firm as well as a cybersecurity firm. We focus on auditing companies’ technology infrastructure, policies and operations to ensure compliance with their industry standard. We also work with companies to proactively assess their cybersecurity needs and perform required cybersecurity testing.

In short, we act as your partner in consulting, auditing and assessing. We ensure business’s meet compliance standards, we help mitigate IT security risks, and assess the integrity of company data as it relates to meeting the business’s overall goals.

We are looking to hire university students, with a technical background and professional English skills, in their final year of studies or recent graduates for our full-time Entry Level Staff Consultant/ Junior IT Auditor position with a starting class in May 2022 and July 2022.

By joining us, you can learn more about the company and this position directly from our team, as well as ask any questions.
